

# BUSINESS PLEDGE

Lane County's business community plays a critical role in protecting our citizens and preventing another surge of COVID-19 infections.

While all businesses that are operating are required to follow the mandated guidelines, our business has taken this pledge so that our customers can feel confident that we're doing everything we can to ensure your safety as well as the safety of our staff.

## → COMPLY WITH ALL RULES & REGULATIONS

- I pledge to be in compliance - Our business understands and is following the requirements set forth by the Governor. We have gone through all of the steps to ensure our business is meeting or exceeding the current standards. Specifically, we pledge to:
  - Create an environment that allows for physical distancing between individuals (6 feet is recommended) to the extent possible.
  - Ensure our place of business is routinely cleaned and encourage our employees to frequently wash their hands.
  - Reduce and disinfect as many 'high touch surfaces' as possible.
  - Follow all other guidance provided by the State of Oregon and the Lane County Department of Health.

## → KEEP EMPLOYEES & CUSTOMERS SAFE

- I pledge to do my part to keep employees and customers safe - By providing flexibility to our employees, proper training and education, and clearly communicating policies and procedures--we are committed to keeping not only customers safe, but our staff as well.

## → EDUCATE AND SUPPORT STAFF

- I pledge to educate and support my staff - Our business is setting up our operations to ensure things are safe, and we have made sure that all of our employees understand the rules and are following them. We are providing flexibility to our staff and supporting them by making sure they stay home if they are sick.

## → STAY INFORMED

- I pledge to stay informed - Throughout this situation, we have seen that things can change rapidly. We pledge to stay informed of and implement any new requirements or modifications that may arise in the days, weeks, and months to come.
